Ramadan Roots

Thirty days, thirty roots from the Qur'an. Each day, find the three letters that stay, then meet them in an āyah you may already recite.

1. **Scan the code** or open jadhrdaily.com/play on any phone. No app to install, no account.
2. **Find today's root.** Three tries, with the sounds shown. About two minutes.
3. **Meet it in the Qur'an.** The root's word family opens, then an āyah where it appears. Tap any word to see its root.
